HOMELESS

ISRAEL has **DESTROYED 25,000** Palestinian homes, and created **THOUSANDS** of **HOMELESS** families*, using U.S. tax dollars.

Ads Against
Apartheid

When you are launching rockets from your homes in order to destroy Israeli homes, don't be surprised if you will remain HOMELESS

as the Palestinian bombarding
Israeli civilian homes
indiscriminately**

to defend itself**

Oh, and you Bostonians should know this better than others
