

The 11th World Summit on Counter-Terrorism
September 13-14, 2011
Herzliya, Israel

Hamas and Hezbollah as hybrid terrorist organizations

This workshop will examine Hamas and Hezbollah movements as hybrid terror organizations, which ostensibly operates as a legitimate political organization as well as carrying out activities as a terrorist organization. It will examine the movement's development from its inception in the 1980s, until today. The workshop will note the milestones, historical achievements and failures, and will discuss the movements' ideologies as well as their strategies.
