

**The 11th World Summit on Counter-Terrorism**  
**September 13-14, 2011**  
**Herzliya, Israel**

**The role and the involvement of international actors in regions of  
civil unrest. (UN, NATO, Red Cross, etc.)**

Against the backdrop of the involvement of NATO, various United Nations frameworks, the Red Cross and other international organizations, in revolutionary processes occurring in the Middle East and the Arab states, this workshop will examine the roles, challenges and dilemmas involved in these international organizations and actors' activities in areas of tension, a lack of civilian stability, and war.
