

## **The 11th World Summit on Counter-Terrorism**

**September 13-14, 2011**

**Herzliya, Israel**

### **The Impact of the “Arab Spring” on the European Union – Migration Processes and the Activities of Islamist Organizations**

This workshop will examine the ramifications of the Arab Spring on Europe. There will be a special focus on the issue of the increase of Muslim migration from Muslim states as a result of the Arab Spring, as well as the strengthening of activities of Islamist movements in the European Union. The workshop will analyze the consequent challenges of these events, as well as various methods of managing the developing reality in the European Union.
