

## **The 11th World Summit on Counter Terrorism**

**September 13-14, 2011**

**Herzliya, Israel**

### **Evaluating the challenge of Countering Terrorism**

**10 years after 9/11**

This series of workshops deals with the measures of countering terrorism, from a retrospective point of view – a decade after 9/11. The workshops will also deal with the dilemmas and challenges involved in countering new emerging types of terrorism, and the need to formulate a joint international network to deal with these threats.
