

## **The 11th World Summit on Counter Terrorism**

**September 13-14, 2011**

**Herzliya, Israel**

### **The Cyber Terrorism Threat – 10 years after 9/11**

This workshop will examine the threat of the use of cyber terrorism following the increasing exploitation of the worldwide web by non-governmental movements. The workshop will also address the means, challenges and dilemmas in countering the cyber terrorism threat.
