

The 11th World Summit on Counter Terrorism

September 13-14, 2011

Herzliya, Israel

The revolutions in the Arab world from the perspectives of Iran and Al Qaeda

This workshop will examine the "Arab Spring" revolutions from the viewpoint of Iran and Al Qaeda. The workshop will focus on the question of what this process symbolizes for the various entities, whether it serves their local and global interests, and if so what can be done to alter these processes and track them in a way that won't serve these fundamentalist entities.
