- **Meet** key decision-makers in the fields of Counter-Terrorism and Homeland Security
- **Interact** with government, defense and police officials, who deal with terrorism on a daily basis
- **Learn** about cutting-edge research, new operational practices and technological innovations from leading international experts
- **Network** with entrepreneurs and significantly broaden your customer base in the global security and Counter-Terrorism industry
- **Participate** in discussions and professional workshops on the most advanced and pertinent topics in modern Counter-Terrorism
- **Widen** and diversify your global network of professional relationships in the field of Counter-Terrorism

We invite you to learn more and register through our website: [www.ict.org.il](http://www.ict.org.il)

### Opening Evening - September 12, 2010 at the Center for Performing Arts, Herzliya

The ICT's 10th International Conference will officially commence on the evening of September 12, 2010 with a grand event and addresses by keynote speakers who are some of the world's top decision-makers in the field of Counter-Terrorism. In addition, a Memorial Ceremony in remembrance of the atrocities of September 11, 2001 and victims of terrorism worldwide will be held during the opening evening. The opening evening constitutes the official beginning of the World Summit.

### Plenary Session - September 13, 2010 at the Center for Performing Arts, Herzliya

The conference's all-day Plenary Session on September 13 features keynote addresses from senior officials and leading international experts. Through detailed and timely presentations the Plenary Session provides conference participants with an overview of the most recent trends in Counter-Terrorism. The Plenary Session offers a comprehensive backdrop for the in-depth examinations and discussions of the following two days.

### Workshop Sessions - September 14-15, 2010 at the Interdisciplinary Center (IDC) Herzliya

The program on September 14 and 15 is devoted to panel discussions and workshops dealing with specific aspects of modern and post-modern terrorism, including radicalization and de-radicalization, Counter-Terrorism in weak and failed states, legal aspects of confronting terrorism, Americans in Al Qaeda, and Syria and Iran as generators of terrorism. Panelists include leading practitioners and researchers from the relevant fields, who will discuss the principal issues with workshop participants.

### Special Series: "Talking Heads" – September 12 and 14, 2010

The ICT conference is proud to present a special speaker series titled "Talking Heads". The series will feature leaders in the fields of Israeli security and intelligence who will discuss their perspectives on Israel's national and homeland security challenges. **\*All four sessions will be conducted in Hebrew with simultaneous English translation.**
