THE INTERNATIONAL INSTITUTE FOR COUNTER-TERRORISM'S (ICT) 17th INTERNATIONAL CONFERENCE:

"THE TERRORISM MAZE"

Analyzing and discussing the factors, influences and trends which make up the web of terrorism and counter-terrorism

SEPTEMBER 11-14/2017

11-12/9

The conference will open with two days of keynote addresses and plenary sessions, followed by a ceremony to honor the victims of 9/11. The plenary sessions will take a global approach, covering topics from Syria to the United States, Israel and the over-arching phenomenon of lone wolf terrorism.

13-14/9

Workshops, simulations and war-games addressing three main prongs in the field: terrorism threats, trends in terrorism and counter-terrorism; discussing issues ranging from legal aspects to cyber terrorism, from a diplomatic perspective to counter-terrorism to matters of drone strikes and targeted killings.

CONFERENCE TOPICS

TERRORISM THREATS

International terrorist threats, global jihadism, how and why it spreads and prospers. The ICT International Conference will look at the overall threats of terrorism, from whence it stems and how it proliferates and grows in a number of workshops

- Terrorism Threats to Israel: Hamas, Hezbollah, ISIS and Others?
- Lone Wolf Terrorism: Threat & Response
- Iran's Involvement in Glocal Terrorism in Latin America
- Catastrophic Terrorism: Threats against Critical Infrastructure
- The Terrorism Threat to the Sub-Indian Continent

CURRENT TRENDS IN TERRORISM

Current trends in terrorism, analyzing new fields and aspects in both terrorism and counter-terrorism, as well as the questions they raise for academics and practitioners alike

- Steven S. Stern Workshop in Cyber Terrorism
- ISIS After Its Demise in Iraq and Syria
- Hamas - Plus ça change, plus c'est la meme chose?
- From Da'wa to Jihad: Breaking the Radicalization and Violence Cycle
- Global Migration, Terrorism and Integration
- The Third Lebanon War: Not If But When?
- Terrorism 3.0 – Adaptation, Innovation and Technology
- New Battlefield/Old Laws: Crisis Management in a Time of Transition

THE CHALLENGE OF COUNTER-TERRORISM

Despite success by various states in their counter-terrorism efforts, the international community still faces numerous challenges. These challenges span the width and breadth of the field of counter-terrorism, including aspects such as international cooperation, law enforcement, civil sector and political ranks

- Bush, Obama & Trump: The Evolution of United States Counter-Terrorism Post 9/11
- Policing and Terrorism: Blue Team Exercise
- Resilience & Recovery: Preparing for the Next Attack?It Takes a Network to Beat a Network: The Challenge of CTIC
- Targeted Killings, Drone-Strikes & Pro-Active Measures in CT
- Counter-Terrorism: The Diplomatic Perspective
- Concluding Simulation
